MONDAY

Follow My Lead - Beginner \$109

Carol Hein-Creger presents this beginning class for all dogs 5 months and older who have not had structured training. Topics include household manners, preventing and managing behavior issues and basic obedience exercises, including sit, stay, down, come, and loose leash walking. **6-7 pm 6 wks: 4/9-5/14****

Follow My Lead - Puppy \$109

For puppies 10-20 weeks of age. This class begins the important process of training and socialization. Topics include household manners, preventing and managing problem behaviors and basic obedience exercises.

7-8 pm 6 weeks: 4/9-5/14**

Calm and Confident \$109

Is your dog reactive or easily aroused around other dogs and people? Is he easily distracted or does he have a hard time controlling his impulses when excited? Carol Hein-Creger designed this course to help your dog learn how to relax, focus and work off leash reliably in stimulating or stressful situations. Class size is limited. **8-9 pm 6 wks: 4/9-5/14**

TUESDAY

NEW! Introduction to Treibball \$109

Treibball is a fun new sport for dogs of all ages that love to play games of chase or love to herd. The dog follows cues, signals, and commands to use his nose or shoulders to drive 8 balls into a goal net in a designated amount of time. Communication between dog and handler is the foundation of this exciting new game. **6-7 pm 6 wks: 4/10-5/15**

Advanced Skills \$109

Take training to a higher level using hand signals, obstacles, retrieving and off-leash training. This class is suitable for students who have completed an intermediate obedience, canine good citizen, Rally, or other similar class. **7-8 pm 6 wks: 4/10-5/15**

ABC: Agility Builds Confidence I \$109

Unleash your dog's potential! Instead of being roadblocks, obstacles are the bridge between dog and handler. In this fun and practical class, Carol Hein-Creger utilizes agility obstacles in a non-competitive environment. **8-9 pm 6 weeks: 4/10-5/15**

THURSDAY

Canine Good Citizen \$109

This class focuses on teaching your dog to remain calm and mannerly in the presence of people and other dogs. Carol Hein-Creger introduces and practices the exercises needed to prepare dog and handler for the CGC evaluation. **6-7 pm 6 wks: 4/12-5/17**

Doggie Do Good Beginner: Training that Clicks!

Dawn Archer Pizzoferrato, ABCDT, ANWI uses scientifically proven "clicker training" and "free shaping" to teach your dog all the basics plus other fun, useful behaviors. Learn how to become a benevolent leader to manage and prevent unwanted behaviors. This is an especially great class for first time owners or newly adopted shelter/rescue dogs. No corrections used as you build a bond of trust and respect. For dogs of all ages. NO DOGS

FIRST CLASS. 6 wks \$109: Wed. 7:30-8:30 pm, 4/11-5/16

Doggie Do Good Clicker II: Beyond Basic Obedience

In this class, you will build on the basic obedience and clicker skills learned in Dawn's beginner class to teach more complex off-leash obedience and useful behaviors to your dog. Each week, you will use the "Free Shaping" training method, a fun, fast way of teaching complicated and useful behaviors. Pre-requisite: All teams must have taken Dawn's beginner clicker class or another comparable class that incorporated clicker training.

4 weeks (1.5 hour sessions) \$109: Fri. 7-8:30 pm 4/20-5/11

Positive Puppy Potential: Training That Clicks!

This 4 week course will cover the basics to get you started on a trusting, respectful and fulfilling relationship with your new puppy. Each class will include teaching a new basic obedience behavior, like "sit", "down," "don't pull" and "come" with the scientifically proven training Clicker Training method. Each class will also include "Puppy Do's and Don'ts" to answer your specific questions, problems and concerns. And of course, each week your puppy will get to PLAY and socialize. And you, as a "Puppy Parent" will learn what to look for in puppy play, what's appropriate, what's not, when to step in, and when to let it roll. For

puppies 8-20 weeks. All puppies must be current with vaccinations appropriate for their age. Bring lots of YOUR puppy's favorite soft treats. 4 week class \$75 or individual drop-ins \$20: 6-7 pm, Fri. 3/16-4/6; 4/20-5/11

Your Dog Nose Fun! Continuing Nose Work: Exteriors & Vehicles

This class is for any teams who have completed Intro to Kg Nose Work® or Intro to Odor. If you are on primary reward, we will search exteriors and vehicles using just primary to increase searching drive and fun for your dog. If you have been introduced to odor, we will set up searches for you on adjacent areas using birch oil so you can further challenge your dog with exterior and vehicle searches. Be prepared for off-site searches and dress for weather. Bring your dog's favorite treats!

6 week class \$109: Wed. 6-7:30 pm, 4/11-5/16

SATURDAY/SUNDAY

Angie Falcsik, CNWI
PAWSITIVE Kg OBEEDIENCE

Language & Leadership: Basic Obedience

This class focuses on enhancing the relationship between owner and dog utilizing positive reinforcement, body language, and techniques specific to each individual dog. Your dog will learn the basics such as heel, sit, wait/stay, down, and come, along with additional training and rehabilitation measures specific to your dog and family. Bring soft, easy to swallow treats. 4 week class \$109 (1.5 hour sessions). Sat. 4/21-5/12 11am-12:30pm

Language & Leadership: Advanced Obedience

In advanced obedience class you and your dog will take what was learned in Basic Obedience to the next level. Learn more refined skills, including long distance sit/down stays, increased stay times, heeling from a sit/down, off leash come command and beginning off leash heel. Problem issues will also be addressed such as excessive barking, lunging and issues with other dogs. Bring soft, easy to swallow treats. 4 wk class (1.5 hrs) \$109: Sat. 4/21-5/12, 1-2:30 pm

Intro to Kg Nose Work®: Sniff Your Way to Confidence!

Angie, a Certified Kg Nose Work® Instructor (CNWI) will teach the initial foundational skills to enable your dog to discover and enhance their natural hunt drive, have fun, play, and build their curiosity and confidence. The primary goal is fun! Where dogs get to be dogs! Dogs work independently of each other and with their team handler. This class is for any type of dog, regardless of breed, size or temperament! Bring lots of soft, easy to swallow treats or toys. 6 wk class, \$109: Sun. 4/29-6/17* 4-5 pm. *no class 5/20 & 5/26

Advanced Kg Nose Work® Advanced Kg Nose Work® continues the foundational concepts learned in Intro to Kg Nose Work® and takes the game to a new and more fun level, increasing dogs' natural scenting abilities and their desire to hunt by increasing the intricacy of the game. This class uses problem solving techniques and games by raising the height of the "hide" (treat) and teaching the dogs to hunt with distractions and in new locations. Locations may be offsite. Completion of Intro to Kg Nose Work® required. 6 week class \$109: Sun. 4/22-6/3* 12:30 - 1:30 pm *no class 5/27

Vehicles & Exteriors

In this class, dogs and their handlers are introduced to vehicle searches and exterior searches using the essential oil Birch. Dogs learn how to search a vehicle and conduct exterior searches as well as the way odor moves with the wind and on certain materials. Competition procedures will be discussed for those who wish to continue in this amazing urban sport! Completion of Intro to Odor required. Continuing Odor suggested. 6 week class \$109: Sun. 4/22-6/3* 2:30-3:30 pm *no class 5/27
