Walk with your dog to help the animals of the Ingham County Animal Shelter. All monies raised from the walk benefit the Animal Cruelty Fund, which pays for the investigation of cruelty cases and the care of animals seized in criminal cases that can involve many months of care, rehabilitation and housing.

Walk as an individual with your dog, or put a team of people and dogs together for the walk. The whole team can help raise funds for the animals. Ask your family, friends, co-workers and local vendors to pledge toward you or your team.
